

HEALTH INFORMATION TECHNOLOGY COMMUNITY COLLEGE CONSORTIUM PROJECT

Kennebec Valley Community College

Martha Vrana-Bossart MSN, RN-BC
HIT Pro-CP, HIT Pro-IM, HIT Pro-PW, HIT Pro-TR

PAST

- 28 months- October 2010-
March 2013
- 2 Tracks- Engineer/Consultant
- 230 students completed
program
- 92% pass rate of HIT Pro
Exams

PRESENT

- **CompTIA Healthcare IT Technician Prep Course**

- PDH E72: CompTIA Healthcare IT Technician course.
 - The CompTIA Healthcare IT Technician certification covers the knowledge and skills required to implement, deploy, and support healthcare IT systems in various clinical settings.

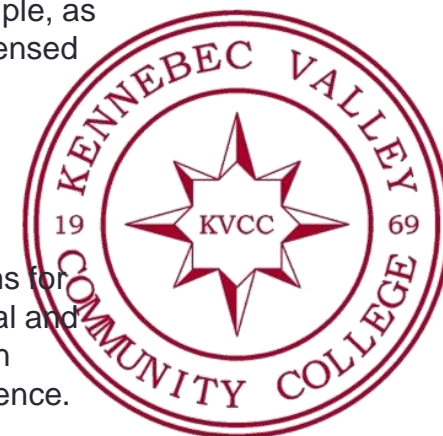

- **Practice Workflow & Information Management Redesign Specialist Course**

- PDH E76: HITPro Practice Workflow & Information Management Redesign Specialist Course:

Workers in this role assist in reorganizing the work of a provider to take full advantage of the features of health IT in pursuit of meaningful use of health IT to improve health and care. Individuals in this role may have backgrounds in health care (for example, as a practice administrator) or in information technology, but are not necessarily licensed clinical professionals.

- **Implementation Manager Course**

- PDH E74: HITPro Implementation Manager Course
 - Workers in this role provide on-site management of mobile adoption support teams for the period of time before and during implementation of health IT systems in clinical and public health settings. Workers in this role will, prior to training, have experience in health and/or IT environments as well as administrative and/or managerial experience.

FUTURE

- Collaborative project:
 - Maine Office of the State Coordinator HIT
 - Maine Health Information Exchange (HealthInfoNet)
 - Kennebec Valley Community College
- Increase number of professionals who attest to meaningful use (MU) and to increase the use of the health information exchange (HIE)
- 6 graduates from KVCC program
 - Offer 4, 8 or 15 hours per provider
 - Troubleshoot problems by providers
 - while completing attestation
 - Instruct on State's Wizard system
 - Onsite support if needed
 - Weekly conference calls
